Warehouse Support | Stephex Service

‘Passion drives success.’

What once began as a dream in equestrian sports has grown into a globally respected brand. Today, his next ambition is clear: to make Stephex Motorhomes shine in the world of motorsport.

Stephex Service, based in Merchtem (Belgium), is the market leader in the construction of exclusive **horse trucks and motorhomes**, and thanks to an extensive dealer network, we serve customers throughout Europe and far beyond.

Our designs are internationally renowned for their high-quality finish, ease of use and refined appearance.

Everything revolves around quality, precision and customer satisfaction.

After production in our factories, our teams guarantee complete customisation and personal service. From exclusive vehicles to specialised transport solutions: at Stephex Service, we deliver perfection down to the smallest detail.

Are you someone who gets energy from perfection, who likes to take responsibility and derives satisfaction from visible results? Then you will fit right in at Stephex Service – where passion, craftsmanship and pride makes the difference every day.
